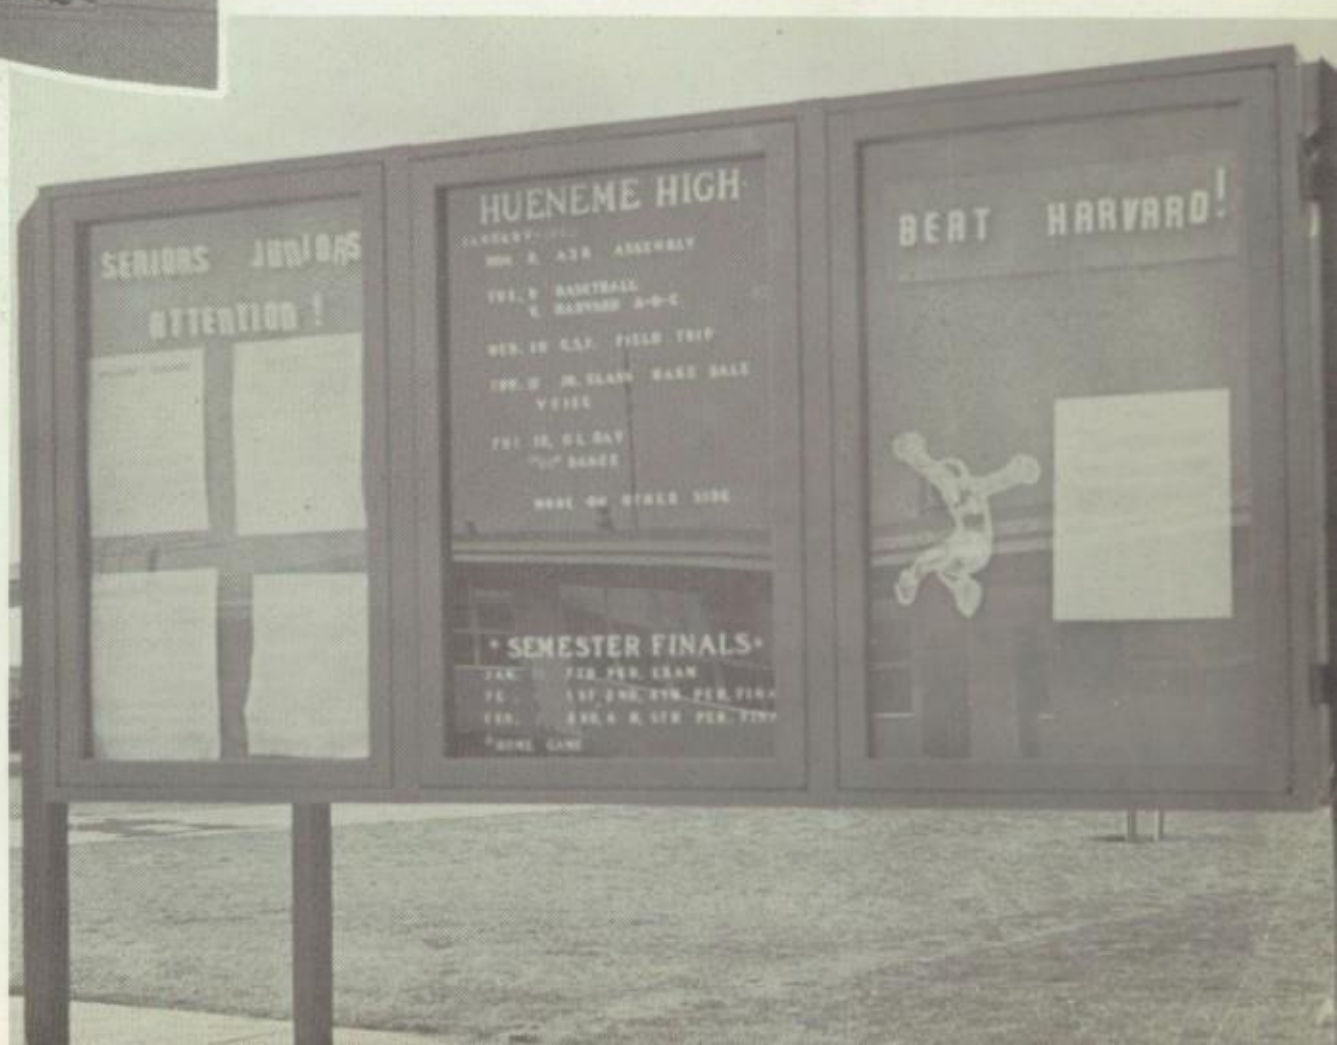
FOREWORD

Years will pass and the waves of time will wash away the memory of this year's theme, but we of the yearbook staff feel that the thought will remain true forever for every person, school and country.

"Good Neighbors Around the World" expresses more than good fellowship. It is also saying that differing peoples must have knowledge of one another. With this knowledge there will grow an understanding and sympathy that will unite all nations with a common bond: FRIENDSHIP.

Our school and community, through its exchange student program, helps promote this ideal. It is in recognition of this program and of the countries represented by visiting exchange students that our theme, "Good Neighbors Around the World," was chosen.

It is our hope that the thought perpetrated throughout this book will remind and inspire the departing Seniors to do their part in furthering this goal.



In Memoriam

Barbara Blackwell

Barbara was born in San Diego, California on October 10, 1944. She began high school at Oxnard High and transferred to Hueneme High School when it opened in 1959.

Sports, songleading and dancing were favorite activities of Barbara. One of her last wishes, to be a Varsity Songleader, was fulfilled last year when she was elected to this position. She was an excellent dancer and regularly attended school and noon time dances. She was a member of Job's Daughter and had been active in the Girls' Athletic Association and Girls' League. She was a contestant in the Port Hueneme Harbor Days queen contest last year.

Everyone who was acquainted with Barbara knew what a fine, talented, and intelligent person she was. Her friendly manner and ready smile made her well liked by all who knew her.

In honor of Barbara and her contributions to the school, the A.S.B. Executive Council has established the Barbara Blackwell Memorial Award to be given to the student each year who has contributed most in school spirit.

James was born in Oxnard, California in December 15, 1944. He attended school in the Oxnard School District his last two years at Hueneme High School.

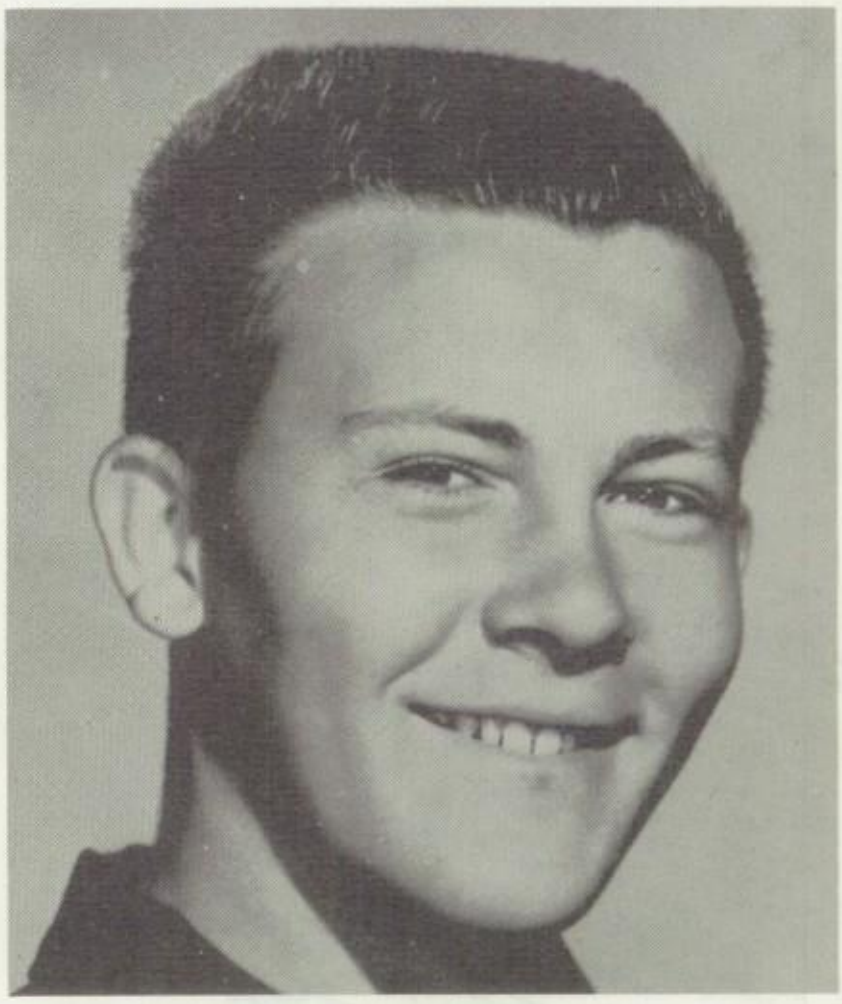
He was a member of the bowling league sponsored by the Tournament Bowl in which he won a trophy for bowling one of the three highest games in 1959.

Jim loved to sing and belonged to the Chorus and Madrigals at Hueneme, as well as being a member of the International Barbership Quartet Singers of America and a member of the De Molay Society sponsored by the Mason's Lodge.

He was a member of our Senior's Lutheran Church and sang in the Choir, ushered in the Church, participated as acolyte and was Treasurer of the Luther League.

Jim was always willing to give a "helping hand" to others, at home, at Church, at school, and at anytime he was willing to ease the burdens of others.

He had great faith in The Master, and we feel sure when his "call" came he was well prepared to join Him in Heaven.



James Jordahl

This year we the annual staff wish to show our gratitude and appreciation as well as that of the student body by dedicating this annual to a well deserving person.

His guiding hand has sent many a student to the long and rugged path of success.

As sponsor of the Hueneme High Annual for the second successive year, he has conscientiously given each and every one of us something to look back upon in remembrance of our high school years.

In appreciation for your devotion and constant service to the school, we hereby dedicate the 1962 VOYAGE ANNUAL to you, MR. ERNEST MICHAEL.

High School Administration

With this Viking Voyage, another fine class of Hueneme High School graduates set their sails for new worlds to explore and conquer. They have discovered that Hueneme High has been founded on the democratic ideals which are as precious today as they were to the founding fathers. Democracy in school has meant a number of things to these Vikings. It has meant a freedom of choice, freedom to select their program, their activities, and their friends. It has involved their sharing responsibility, responsibility for self-direction, student government, and class and club activities. Their scholastic opportunities were many, but they were here to be grasped, rather than forced upon them. Hueneme High School has been a success story come to life . . . the opportunity is here to succeed in almost every walk of life.

In the years to come, Vikings, may you look back upon your days in this school as some of the happiest and most profitable of your life, and may your loyalty to your school never wane. Happiness goes with success and may you have success in all your worthwhile endeavors.

As the sun sets in the west, the class of "62" has set out to seek life's goal.

Each event that took place during their Senior year has left an everlasting memory.

Do you remember when—

The Seniors painted their parking lot . . .
The first day the Seniors wore their sweaters . . .
Dressed-up and looked really grown-up . . .
The Seniors raised their flag of aqua and white over the Senior patio . . .
The try-outs, the planning, and then finally opening night of the Senior Class Play . . .
The day the Seniors ditched—on their annual Ditch Day . . .
The night of graduation, when the class of "62" left
Hueneme High School never to walk in its halls or
attend its classes again and . . .
Graduating night, the Seniors left for Disneyland for their all night party.

Each year there are ten persons chosen as the highest academic students in the school. Since they have earned this high honor, we are sure you will agree that they have also earned the credit that goes with it, just as other activities get recognition for their achievements throughout the year.

On behalf of the annual staff we credit these two pages to the Top Ten Students of Hueneme High School.

Court

Each year the Voyage pays tribute to two Queens, the Voyage Queen and the Homecoming Queen. This year we had an unusual situation concerning our queen, Pat Pfau. She was nominated and elected to reign over both courts. Included in the Homecoming Court in Roz Loving, Beverly Vickers and Donna Templeman. The princesses of the Voyage Court are Sue Graham, Sandy Ryan and Ruth Housefield.

Junior Class Officers

LEFT TO RIGHT. Larry Herron, Sgt. at Arms; Carol Easley, Treasurer; Richard Kennedy, President; Bonnie Elwood, Secretary; John M. Anderson, Vice-President; Skip Sorenson, Sgt. at Arms.

The successful production of the play "A Great Big Doorstep" set the stage for the following activities of the Junior Class. Throughout the year they handled concessions at a football game, sponsored bake sales and an after game dance, and had a class bermuda day. Climaxing the eventful and exciting year was the annual Junior-Senior Prom.

What price picture.

Thanks to the class of 1961.

Seniors enjoying their patio.

The picture of scholarship.

Freshmen Class Officers

LEFT TO RIGHT: Ron Andrade, Sgt. at Arms; Susan Stubblefield, Treasurer; Robert Woodruff, President; Sue Hallstrom, Secretary; Mike Guerra, Sgt. at Arms.

Starting off the year with hilarious participation in Serf Week was the freshman class. Good naturedly they catered to their master's every wish making the annual serf week a bigger success than ever. Carrying through with class spirit the freshmen had a color day and clash day as well as a dress-up day and pennant day. Throughout the year many bake sales were also sponsored by the freshman class.

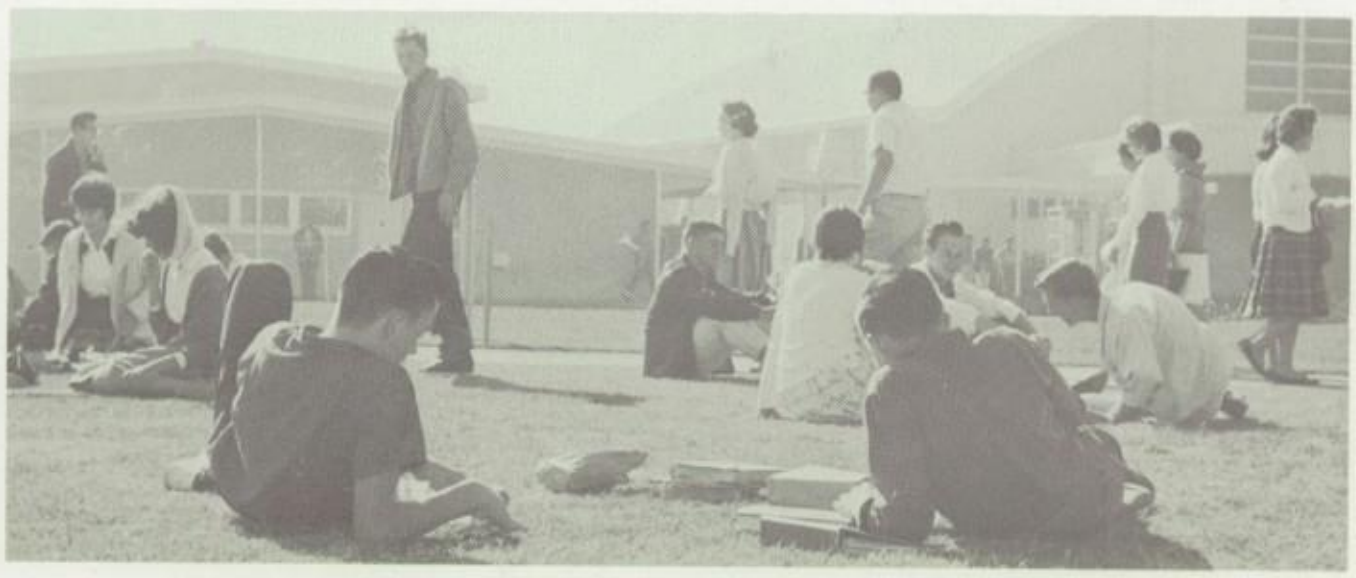
Fifth period classes make a big rush on the lunch time.

A mad dash to get to seventh period class??



At last! A lunch break.

Crowning of the King and Queen at the Annual Sweetheart Dance sponsored by Girls' League and Boys' Federation. They are Barbara Boggs, Girls' League President; Sandy Gray and Ruth Housefield, King and Queen; and Tom Tanner, Boys' Federation President. These are just two of the clubs on campus that sponsor many different activities during the year.

Bob,
It's been fun knowing you in math this year. Best of luck. See you next year.

Made up of the members of the Executive Council, student government class meets every day to plan the activities of the ASB. A business meeting is held once each week during which planned activities and the expenditures of any monies are approved, and recommendations from Student Council are acted upon.

During the course of the school year, student government has made plans for Serf Week, the First Viking Homecoming, AFS Week, and four big ASB Dances. The group is also responsible for conducting school elections.

Members of the Executive Council each have a turn at attending meetings of the Ventura County Inter-School Council.

Exchange Student

Inger Skovbjerg

Dear Students of Hueneme High School,

Living in the United States has made many impressions upon me. The first impression was that all the people in the United States are extremely friendly and are always ready to help others.

Everything over here is on such a large scale. I was really amazed by your super-highways, great number of large cars, housing projects, and supermarkets where you may buy almost anything. Every place I go, socially, educationally, or for entertainment, I observe many types of people. These people are definitely individuals, but still all Americans.

I am very grateful to all the people in this community who have opened their homes to me so that I may see how the American people live. Also they have given me an opportunity to see so many wonderful places

Every time I see my red and white Danish flag, I will always thing of the Hueneme Vikings.

Gratefully yours,
Inger

THE V.S.P.C. had a hard-working but fun-filled year.
At the beginning of the year, the club received the honor of "Club of the Quarter." This was due to the publicizing of Athletic events and A.S.B. activities, selling concessions and spirit ribbons, and decorating goal posts at the football games.

Club meetings were held once-a-week, and executive meetings every two weeks.

Mr. Ricco, the sponsor, was kept quite busy and helped a great deal.

PEG O' MY HEART, the Senior class play was presented on March 15, 16 and 17 in Brittell Auditorium.

The comedy revolving around the life of an Irish country girl in aristocratic England was directed by Miss Beverly Brydon with the assistance of Toni Gularte, student director.

The cast including Sue Golden, Jim Harbold, Jean Matuella, Bob Graham, Pam Williams, Bill Toutz, Ginger Childers, and Ernie Fosse, did a wonderful job! It was especially rewarding to see that on the last two nights of performance the auditorium was completely sold out.

To a pleased but weary cast and crew congratulations!

Each year Hueneme High School attempts to select plays that will offer variety in character study, locality and in periods of history.

The Great Big Doorstep was set in Mississippi and revolved around the age-old problem of financial solvency. The plot concerned a poor family that aroused sympathy through laughter because of their simple and honest desire for a house to go on their great big doorstep.

The modern dance group added to the attraction of the play in the form of a simple Creole dance routine with Shoepick.
